

29 April 2010

Hi Everyone

As previously mentioned in our last Briefing we will be holding another Open Day on the 8th of June at Walton Community Centre from 2.00pm – 4.00pm, can you please remind your members of this event and encourage them to come along on the day.

Do you as a Group Leader **use your own equipment** in the Activity that you lead? If so, can you please give details of the equipment used to a member of the Group Support Team.

If you want anything to be included in the May 2010 Newsletter can you please let Patricia Conlong have the necessary copy by the 10 May at the latest. You can send Pat your article by e-mail to patriciaconlong@talktalk.net or alternatively give her a call on 01785 812410.

Also, Uttoxeter U3A have now joined in with Cheadle and Stafford in offering reciprocal membership facilities to members of Stone and District U3A. This means that for a fee of £8.00 we all have the opportunity to attend any of their Activities, in addition to our own, subject to space being available and with the prior agreement of the relevant Group Leader. For details of activities available check out the relevant websites [cheadle u3a.org](http://cheadleu3a.org): staffordu3a.org:uk: or uttoxeteru3a.org. If you do not have access to a computer and you have a specific interest, contact Ken Fulford 01785 811265.

Finally, it has been highlighted to us that all Group Leaders need to be aware of the Post Code for the venue in which their activity is taking place. This follows an incident recently whereby one of our Group Leaders had to call the Emergency Services for a member who had become unwell. In order to locate the premises the Emergency Services requested a Post Code to input into their Satellite Navigation System. Therefore please find below a list of all venues currently used together with the relevant Post Code. In order that you will always have this information may we suggest that you put the Post Code on your Attendance Register.
